# FSS SPOTLIGHT

**SrA Perez, Jonathan**  
Storeroom Clerk  
D-PAD Storeroom

**What do you wish the Kunsan community knew about your programs?**

What I want others to know about us? I know D-PAD has the best food, we have gotten many compliments about our delicious meals. This is all credit due to our KGS cooks who take good care of the meal period and are constantly making sure the serving line is stocked with fresh food. We are a very cohesive team; we are like water. If you put water into the cup, it becomes the cup. You put water into a bottle, it becomes the bottle. You put it into a teapot, it becomes the teapot. Now, water can flow, or it can crash. The D-PAD team is water.

**What is your favorite part about working at the D-PAD?**

My favorite part about working at the D-PAD is honestly the people. My co-workers and I have made a bond together being the only services that work far from everyone else, we joke around and help each other out in whatever the other's need. The customers are also important to me, I want to make sure when they leave, they are satisfied with their meal experience.

**What is your best memory at Kunsan?**

Going out to explore Korea with my co-workers. I think it is part of the reason why our bond is strong is that we can build off each other's strength and weaknesses, and we have a great relationship on and off work and share lots of laughs together.

**15 Aug, 1945 is National Liberation Day of Korea, 35 years of Japanese colonialism came to an end.**

Gwangbokjeol(광복절), the National Liberation Day of Korea is a day to commemorate Korea's freedom from the Japanese colonization on Aug 15, 1945, also the formation of the very first South Korean government on Aug 15, 1948. The word "Gwangbok" means "the day the light returned", referring to the restoration of national independence.

With this, on every Aug 15, the Korean flags are hung to reflect on the history of the nation and to honor and to express gratitude for the hard works of numerous independence movement activists who sacrificed themselves for the independence of their homeland.

## When preparing to mail out items, exercise these safe practices:

- Isolate, bag and seal liquids to prevent leaks & package damage
- Wrap fragile items in bubble wrap
- Leave as little space for movement within your package as possible; stuff with newspaper, packing paper or packing peanuts
- Place extra customs forms or identification items inside your package. Weather and other factors may cause damage to the shipping label affixed to the package exterior.
- Verify that your package contains no prohibited items. If unsure, check out Kunsanfss.com/post-office, USPS.com, or talk with a postal clerk.

### \*ATTENTION POSTAL PATRONS\*

Enforcement of Global Trade Compliance

A DETAILED DESCRIPTION is REQUIRED for all items listed on the Customs Declaration form. Customs clearance procedures have been strengthened by the US Postal Inspection Service and the Department of Homeland Security. Parcels with vague descriptions will be rejected and will not be cleared for mailing.

For example, instead of saying the package contains electronics, customers must specify what type of electronics (such as iPad). Using terminology like gift, household goods, medicine, merchandise, makeup, etc, is no longer authorized.

#### TOO VAGUE

Toiletries, Beauty Items, Makeup, Toys, Medicine, Electronics, Snacks, Clothing

#### DETAILED DESCRIPTIONS

Shampoo, Soap, Deodorant, Face Cream, Lipstick, Legos, Doll, Figurine, Multi-Vitamins, Aspirin, XBOX, TV, PC Monitor, Chips, Chocolates, Shirts, Pants, Socks, Shoes, etc.

32 Completing the Customs Declarations form correctly is the customer's responsibility.
